

# Political Science TENTH ANNUAL LECTURE

"North America: A Triateral,  
Bilateral or Unilateral Space?"

*By*

Dr Stephen Clarkson, **University of Toronto**

Dr Lorenzo Meyer, **El Colegio de México**

Dr Raúl Hinojosa, **University of California, Los Angeles**

**What is in store for North America?**

**Will the continent's future be jointly defined by its three constituent states, by three separate sets of country-to-country relations or by the United States? Three senior, internationally recognized scholars, one from each country of North America, will address these crucial questions and their implications for continental governance, economy and civil society.**

**Thursday, March 30, 2006**

**3:30 p.m. Tory Basement, Room 95**

**All are Welcome!**
